

Associate Medical Writer

Location: Altrincham, Cheshire

Salary: Competitive

Requirements: PhD in physical or life sciences

Job type: Permanent

Alpharmaxim Healthcare Communications is looking for an Associate Medical Writer to fulfil a varied and interesting role as part of a talented team.

The role

The successful applicant will enjoy a rare entry-level opportunity to begin a rewarding career in medical writing, with expert guidance and mentoring from a highly skilled editorial team. Using skills developed during PhD study (analysis, interpretation and presentation of data), s/he will contribute to the development of scientific and educational materials across a range of therapy areas. Strong self-motivation and the ability to both manage workload and meet deadlines will be of key importance in the training path towards becoming a full medical writer.

The company

Alpharmaxim provides strategic and tactical marketing and communication support to a broad range of clients across the pharmaceutical, biotech, medical device, diagnostic and vaccine sectors. As a small and dynamic company, we are able to offer unusually varied and flexible job opportunities that are tailored to the particular strengths of applicants.
