Alpharmaxim
Healthcare Communications

Account Manager, Corporate Communications

Location: Altrincham, Cheshire

Salary: Competitive

Requirements: 3 years' relevant experience in a healthcare communications agency or elsewhere in the pharmaceutical industry

Job type: Permanent

The role

- You are a team player with excellent project management skills who will ensure the efficient running of your accounts.

- You deliver quality work that meets client needs on time and on budget.

- You have a strong awareness of a broad range of communication channels and formats, and ideally some experience of digital communications.

- You take the time to understand the clients' needs and problems, and you are proactive in proposing effective solutions.

- You maintain exceptional client relationships, support the organic growth of your accounts and will assist the Business Development Director with new opportunities.

- You have creative flair and can translate the clients' ideas into a clear design brief, to help create engaging and fresh digital communications.

- You create comprehensive and accurately costed proposals and effectively manage project delivery against the budget.

- You have a can-do, solutions-focused attitude and enjoy working in a creative and fast-paced environment.

Alpharmaxim

We provide strategic and tactical marketing and communication support to a broad range of clients at the forefront of scientific research and innovation across the pharmaceutical, biotech, medical device, diagnostic and vaccine sectors. As a small and dynamic company, we are able to offer unusually varied and flexible job opportunities that are tailored to your particular strengths and needs. Our friendly and supportive team will enable you to grow and succeed in your career.
