

Senior Medical Writer

Location: Altrincham, Cheshire

Salary: Competitive

Requirements: A proven track record of working successfully (2+ years) in an agency/medical communications environment in a medical writing function

Job type: Permanent (flexible working considered)

Alpharmaxim Healthcare Communications is looking for a Senior Medical Writer to fulfil a varied and interesting role as part of a talented team.

The role

- You will work across a range of therapy areas, providing scientific, strategic and tactical contributions to projects to help clients build advocacy and fulfil their communication and marketing objectives.
- In addition to developing high-quality scientific, educational and commercial materials that disseminate appropriate messages to different audiences, you will lead a variety of projects from client brief through to delivery, on time and within budget.
- Other responsibilities will include the scientific review of materials; provision of timely and constructive feedback to more junior writers; confident liaison with the client, thought leaders and authors; and support with resource management.

Alpharmaxim

We provide strategic and tactical marketing and communication support to a broad range of clients at the forefront of scientific research and innovation across the pharmaceutical, biotech, medical device, diagnostic and vaccine sectors. As a small and dynamic company, we are able to offer unusually varied and flexible job opportunities that are tailored to your particular strengths and needs. Our friendly and supportive team will enable you to grow and succeed in your career.
